

## **MONTHLY REPORT –AUGUST 2007.**

More progress???? on the sailing site. I have spoken to a number of people from the Council from two sections including Reserves. Council construction people have looked at the site and consider that the coir logs are not suitable and that proper revetments or batters should be put along the shore to preserve the edges. This then takes the project into a 'major project' which according to the powers that be can't be justified. We had another talk and it seems that she will go back to Robyn to see about the bollards and perhaps the coir logs as a temporary fix.

After the IOMs we decided we should talk to Council about the tree that to us looks like it is falling in the water. A person called Rob rang and inspected the tree and said that it looks OK at this stage and that if it is removed the remainder of the bank will wash away and that it could be alright for a couple of years. I have even been issued a certificate saying that the tree is OK and is staying.

Looks like the whole issue is falling into a black hole in the Council but I will keep trying, it seemed so simple to get Council to help a little bit with our sport.

AGM was held and all positions remained the same apart from Sid taking over Ron Notters Handicap job and Ian assuming the Frequency role.

If you want something included in this report see Terry or Email it to him at [tmlester@bigpond.com](mailto:tmlester@bigpond.com).

## **FINANCE REPORT.**

Ian reports that the Club has cash on hand of \$2277.96. If you haven't paid your fees yet see Ian. If you wish to see the full finance report see Ian as well.

## **COMING EVENTS.**

CHANGED DATES....
