The day was mild (18 degrees) and more importantly - there was strong gusty wind out of the west! This resulted in some exciting racing for both classes. The Soling 1Ms were up first with Ian coming in first followed by Sid and Terry. In the 10 Raters the day was won by Ian followed by Terry and Sid. There was an incident in the final race of the Soling 1Ms. Some kids decided to fish in their canoe right adjacent to the windward buoy and despite repeated requests to move away - they somehow managed to 'catch' four Solings. These skippers were given average points for this race and Phil (who rescued the boats in the dinghy) had a new lure for his tackle box.
