DNS : Did Not Start

Racing commenced after our AGM today and there was no need to quickly set up the boats as there was no wind. If last sail day the wind was only a 'dribble' then it was only a 'drip' this week. At times the lake's surface looked like a millpond with the reflections from the houses on the other side of the lagoon very clear on the water. As the wind was so light, the course was shortened to only one triangle. In the Soling 1M event only 3 races were completed with Sid in first place, Ian second and Phil coming in third. In the 10 Rater event the winner was Ian followed by Sid and Phil sailing the revamped 'Shogun'. While the weather has been beautiful the last couple of race days, more wind would be priceless!
