A sunny winter's day (20 degrees) with plenty of blue sky made it very enjoyable to be outdoors. The only thing lacking was a decent breeze. The dribble of wind that came out of the North East did lead to some interesting racing with variable conditions around the course. In the Soling 1M event, the day winner was Sid (on a countback), followed by Ian and Bob. All of us got a podium finish because there were only the three of us in the event. In the 10 Rater round-robin, there were two rounds with Sid winning the day, followed by Ian and Terry. Congratulations to Sid who has won both the Soling 1M and 10 Rater Match Racing events for 2008.
